Meeting Minute

Our board held a quarterly meeting on May 3, 2025 at the family programs office of the 121st ARW. Trustees approved first quarter financial reports and minutes from the February meeting and reviewed a 10 year impact document. Kim shared that she would be making a presentation on the organization at the American Legion Women's Auxiliary meeting on May 10. Mike offered to generate a list of all central Ohio fraternal organizations (VFW, Legion, etc.) to share our information. The board instructed the executive assistant to price/source branded goody bags for family programs to use at events through the year.

Finally trustees discussed how military branches financially support their family programs, and learned that **Air National Guard units now receive \$0 in funding.** This would make the organization more valuable in providing assistance to the mission, but will need to clarify with 121st legal and command how we can best support families, but also communicate and fundraise within the unit.

The next meeting is **August 7, 2025 (Zoom)**.
