PASS & REVIEW

Memorial Fund for Fallen Airmen of 121st ARW

In light of the recent loss within our 121st Air Refueling Wing community, we have established a Memorial Fund to support the families of the fallen Airmen.

This effort is focused on providing timely and flexible assistance as their needs arise in the weeks and months ahead.

We invite those who wish to stand alongside these families in a meaningful way to consider contributing. Please use the QR code at the right to learn more or make a donation.

Our regular quarterly newsletter with program services and donor recognition will resume in June 2026.

ON APPROACH

Planned at the 121st in 2026

Support for Easter Bunny Breakfast, Take Your Child to Work Day, Air Show Family Day, Fall Festival, Holiday Party, Santa Breakfast, Airman Assistance and Deployment Support.

MEETING MINUTE

February 2026

At our most recent board meeting, trustees reviewed financials and program activity for fiscal year 2025. The board also discussed ongoing coordination with 121st leadership, including support requests that may involve limited detail due to operational security protocols.

The board also approved a Memorial Day outreach effort to honor retired service members who have passed, in coordination with the Family Programs office. The board continues to work on expanding monthly giving options. The next meeting is tentatively scheduled for May 14, 2026.
